Vision Insights Syndicated Survey

- DBEDT subscribes to Vision Insight's Responsible Travelers Segment databases for the State of Hawai'i (O'ahu, Maui, Kaua'i and Hawai'i Island)
- Consumers are surveyed each day
- DBEDT receives access to new data each week for daily responsible traveler metrics – media-focused, brand health, purchase/intent, and consumer status
- Responsible Traveler Segment
 - Respondents who self-identify as responsible travelers (i.e., wellness focused, environmental impact, culturally minded)

Vision Insights Metrics

- **Intent to Travel:** Percentage of people who intend to travel to a destination in the last two weeks
- **Chatter (Net):** Net percentage of people who heard something positive about a destination and people who heard something negative about a destination in the last two weeks
- **Personal Discussion:** Percentage of people who have discussed the destination with friends and family in the past two weeks
- **Recommendation:** Percentage of people who are very likely to recommend the destination to a family, friend, or colleague
- **Consideration:** Percentage of people who are “Likely” to “Very Likely to Consider” a destination for their next vacation (Top 3 box of 8-point scale)
- **Favorability:** Percentage of people who rated a destination as “Favorable” or “Very Favorable” (Top 2 box of a 5-point scale)

Destinations

- Respondents are asked about:
 - State of Hawai‘i
 - O‘ahu
 - Maui
 - Kaua‘i
 - Hawai‘i Island
- Intent to travel metric focuses on state-level indicating respondents’ interest in traveling to any Hawaiian Island
- Selecting a Hawaiian island indicates respondents’ chatter/personal discussion/recommendation/consideration/favorability for that specific Hawaiian island’s brand (the concept of a beautiful place called “Hawai‘i”) and lack of familiarity with individual islands
